

Committee of the Dee present the  
**Aberdeen Heads of the River**  
 Saturday: Sculling events Sunday: Sweep events (mostly)  
**Saturday 28<sup>th</sup> October 2023 Division 1**

**SATURDAY RULES** (NB different today from ever before)

Results will be published on <https://cofd.co.uk>

- (1) **New:** All steerpersons must attend a compulsory briefing at 11:15am (in ASRA or ABC), or 1:30pm for those only in Div 2 (in ABC only). A role-call will be taken and **crews will not be allowed to race if they have not attended.**
- (2) Crews must be **clear of the jetty 15 minutes** before their start time; they must also be **downstream of the QE Bridge at least 10 minutes** before their start time. A 15 second penalty will be awarded per rule broken (30 seconds for both).
- (2) Clubs must collect their pack of bow slot numbers from the ABC Boathouse before racing. A deposit will be charged and a subsequent charge of £5 per non-returned number. Paper numbers must be worn on the back of bow, visible while racing. Paper numbers do not need to be returned.
- (3) Crews will gather in order on the City Bank above the Victoria Bridge with the lowest number nearest the bridge.
- (4) On order from the marshal, all crews will strip off and then move down through the Victoria Bridge.
- (5) On command, crews will turn round the moored starting launch. Do not go much further downstream below it. Make a tight turn rather than spinning. The start timing line is at the downstream edge of Victoria Bridge.
- (6) The Southernmost (Boathouse) arch of the QE bridge is out of bounds. Arches 1, 5 & 6 of the Railway Bridge are out of bounds (**use only arches 2,3 or 4**) The northernmost (City) arch of King George VI (KG VI) Bridge is out of bounds.
- (8) The race will be held under *Scottish Rowing* rules. Crews being overtaken must give way to faster crews and move to the outside of bends. or risk disqualification.
- (9) At the end of the race, all crews must finish on the South (Boathouse) side of the river. Crews must then move to the primary finish marshalling area on the North (City) side of the river. **New:** When (and only when) given permission by the KG VI floating umpire, the first 20-30 crews will be allowed to move downstream through the City arch of the KG VI Bridge – they must then promptly cross the river onto the boathouse side and proceed downstream to the secondary finish marshalling area. This extends from opposite the granite obelisk in Duthie Park towards the Railway Bridge. No crew can pass downstream of the Railway Bridge until after the last racing crew has passed upstream of them. Any crew interfering with racing crews may be liable for disqualification so keep a careful watch even when holding position.

New instructions only  
 for Saturday 28/10/23

Start marshalling area

Start

**Aberdeen Head of the River - Course Map**  
 Note : bridge sketches are as seen during racing (looking upstream)

## Aberdeen HOR - Saturday 28 October 2023 - Division 1 12:45pm
