

## Aberdeen Head of the River weekend - 15-16 February 2025

### Trailer parking arrangements

**Watsons and TGA** - at ASRA

**Heriots, Tees, Tay, GRC** - at ABC

### Boat launching/ landing areas:

**TGA:** AUBC steps

**Watsons:** bank just downstream of ASRA (towards ABC)

**Heriots:** bank between Watsons and ABC steps.

**Tees, Tay, GRC** - ABC steps

Launching in all areas (steps or bank) requires welly boots.

If you are brave enough, you could paddle in the (very cold!) water in sandals.

Do not walk on the bank in socks or bare feet due to risk of cuts.

### Notable timings

(12:45) Junior steersperson briefing (any other clubs are welcome) at ASRA

(12:45) Timing Team briefing at ABC

(13:00) Volunteers briefing at ABC

(13:15) Umpires briefing at ABC

Divisions start at 14:00 and 15:30

On Sunday there is no junior steersperson briefing but all others will take place 30 minutes later than the above times.

### Good racing conditions predicted but chilly

It's forecast to be cold both days with feels-like temperature at or below freezing and remember that any HOR race involves periods of sitting around waiting for other crews to get into position. Make sure you take appropriate clothing with you in your boat.
