

Committee of the Dee present the

Aberdeen Sprint Regatta

Saturday 2nd September 2023
Racing from 1pm to 7pm

Local Regatta Rules for the Aberdeen Sprint Regatta

(Please also study the **course map** and its Notes)

Packs of bow-slot numbers will be issued to clubs on arrival. A deposit will be charged which will be refunded upon safe return of all numbers. Any missing numbers will be charged at £5 each with a corresponding reduction in the refund. Deposits will depend on the number of numbers issued as noted below;

1 - 2	numbers issued	£10 deposit required
3 - 10	“ “	£20 “ “
11 or more	“ “	£40 “ “

Competitors must report to the start marshal **at least five minutes before their published race times. Crews must then stay in touch with the start marshal until they are called to the start line.** Due to a lot of doubling-up, the timing of the regatta is critical and late crews will be disqualified (Aberdeen crews take note !)

The first named crew will take the City Station (opposite the Boathouse), the second named crew will take the Boathouse Station.

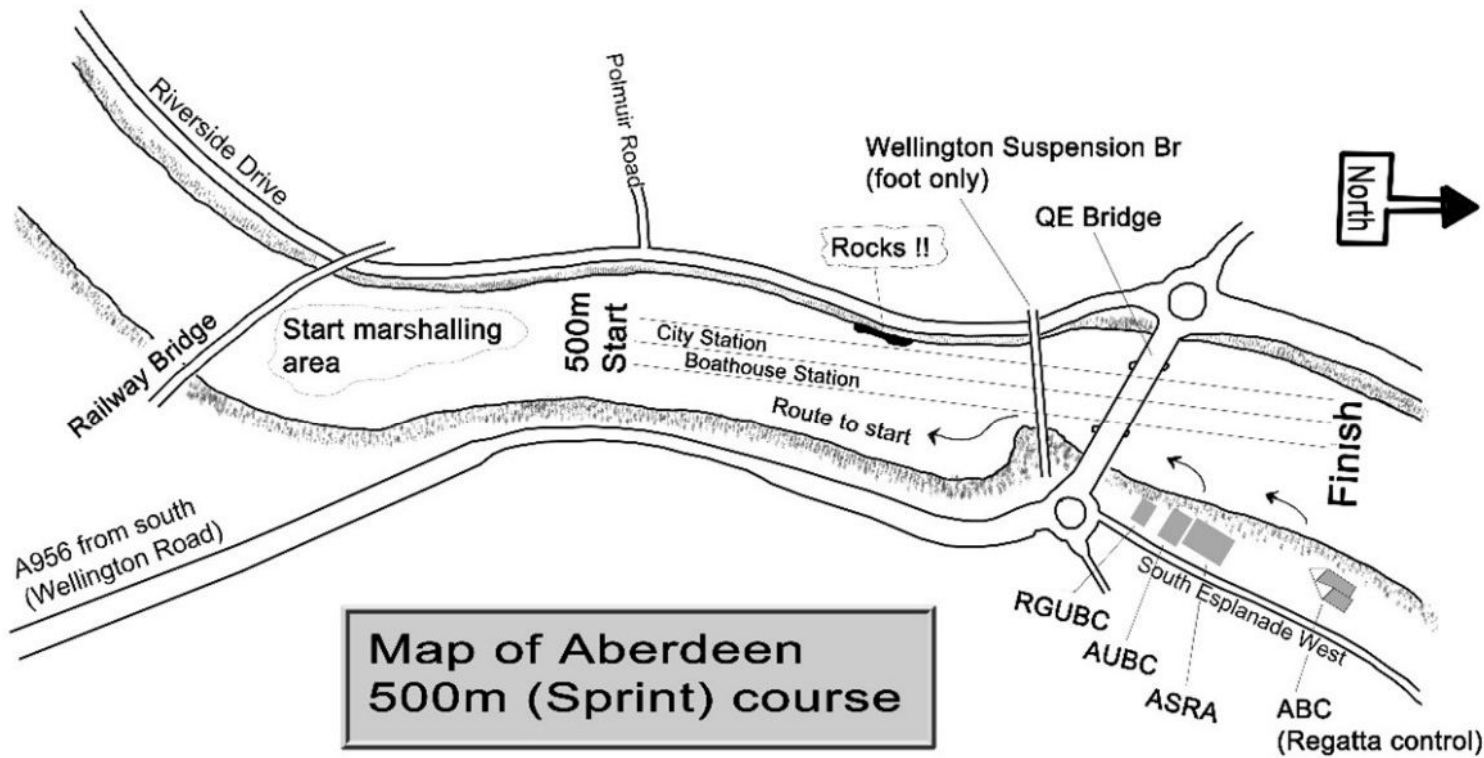

The 500m course will be used in all events. The course is in two lanes and runs downstream from a free start at the "top of the wall". It runs in a straight line through the two bridges before the finish at the upstream end of the Aberdeen Boat Club Boathouse. Guidance buoys will hang from the bridges; city-bank crews should pass between the Yellow and white markers; boathouse-side crews should pass between the white and orange markers. There are three similar buoys near the finish and **boats and blades must pass between the appropriate buoys, or risk disqualification.** See map for details.

The buoys near the finish do not represent the exact finish line and crews should not stop racing until instructed by the umpire.

Results will be posted on our website (QR code for this →

Course Details for Aberdeen Sprint Regatta

Crews must boat facing upstream and proceed to the bridge marshalling area. Please be careful going under the Suspension Bridge as the river is narrow here and you must watch out for crews racing downstream and give way to them if necessary.

Crews must keep to the Boathouse side of the river on the way up to the start.

WARNING: At low tide it may not be safe to pass through the Railway Bridge - seek local knowledge if in any doubt and obey safety instructions from the marshals.

Crews must report to the start marshal below the railway bridge and keep in touch with the marshal until called down for their race.

The start is free and, in view of the downstream current, manoeuvring at the start should normally be done by backing down.

Crews should ensure that their boat and blades pass on the appropriate side of any buoys or course markers. Failure to comply with this rule could result in disqualification if the umpire considers that unfair advantage was gained or the other crew was obstructed.

There will be guidance markers hanging from the upstream side of the Suspension Bridge and the downstream side of the QE Bridge. These are colour-coded as noted above.

There is a line of buoys near the finish but these do not represent the exact finish line and crews should not stop racing until instructed by the finisher.

After finishing, all crews should turn and approach a jetty as soon as possible especially if their boat or members are required for other events.

We do not have permission to row below the Victoria Bridge (downstream of the Boathouse). Any crew violating this rule is likely to be sunk and/or disqualified.

Please also see the **Local Regatta Rules**. Results will be posted on our website <https://cofd.co.uk>

Handicapping for Veteran Events

(February 2017 version)

A handicap system will operate in all veteran events. Veteran crews must declare their status **in writing** to the secretary at least 30 minutes before their first race, otherwise they will be assumed to be Veteran A (no advantage).

The following table gives an **indication** of advantages for our 500m course. They are based on the standard time for an open crew in each category. The base times are as recommended by Scottish Rowing. Handicapping may be modified depending on wind/water conditions on the day.

CATEGORY	(base time)	A	B	C	D	E	F	G	H	I
Mens Fours	1:40	0	1	2	4	6	9	12	15	20
Mens Pairs	1:45	0	1	2	4	6	9	12	16	21
Mens Double Sc	1:40	0	1	2	4	6	9	12	15	20
Mens Sculls	1:50	0	1	2	4	7	10	13	17	22
Womens Fours	1:55	0	1	2	4	7	11	13	17	23
Womens Dbl Sc	1:50	0	1	2	4	7	10	13	17	22
Womens Sculls	2:00	0	1	2	4	7	11	14	18	24
Average age of crew		27	36	43	50	55	60	65	70	75

HANDICAPPING WILL TAKE PLACE AT THE *FINISH*

Crews will start level, as usual, and the time differential between the first and second crews will be measured as they cross the finish line. If this time is less than the previously intimated handicap, then the crew which was second over the line will be deemed to have won the race. We will try to group similar ages of competitors together but, where this is not possible, we will apply the full handicap applicable, even if this exceeds the previous recommendation of three categories.

The **ABC New-Rowers 4+** event will also be handicapped but this will take place at the **start**.

A factor is applied if there is a different male/female ration between the two crews. Every extra female rower gains an advantage of 1½ lengths over their opposition (3 lengths for two more females etc).

This event is for new rowers at ABC who have only taken up the sport after 1st January this year.

Notes from Last Year's event

Perhaps because we ran the only sprint regatta in Scotland this year, we enjoyed a large entry from outside clubs (especially Inverness and Stirling, but also Castle Semple, St Andrews BC and Hollowell Scullers. This resulted in many highly-contested events, two with 10 entrants and one with nine.

We enjoyed lovely racing conditions with no wind and the Goldilocks temperature of nice enough to sit around outdoors but not too hot for racing.

It was, without any disrespect to our local club, lovely to see some junior events being won by clubs other than ASRA! Well done to Hazel G for her work training the Inverness juniors to achieve this.

The stamina award for the event might go to Junior 16 sculler Luke from Inverness who, after capsizing at the start, declined the offer of a launch-rescue but got back into his boat and paddled down the course

Thanks to all umpires, volunteers and the competitors who worked as a team and allowed us to finish 19 minutes ahead of the published time.

And if you think today's regatta is busy with 90 races and 125 crews... look at the statistics from 2022 when we ran 99 races involving 132 crews. And still finished ahead of time!
