Committee of the Dee present the

Aberdeen Sprint Regatta

Saturday 21st August 2021
Racing from 10:30am to 6pm

Local Regatta Rules for the Aberdeen Sprint Regatta

 (Please also study the **course map** and its Notes)

Packs of bow-slot numbers will be issued to clubs on arrival. A deposit will be charged which will be refunded upon safe return of all numbers. Any missing numbers will be charged at £5 each with a corresponding reduction in the refund. Deposits will depend on the number of numbers issued as noted below;
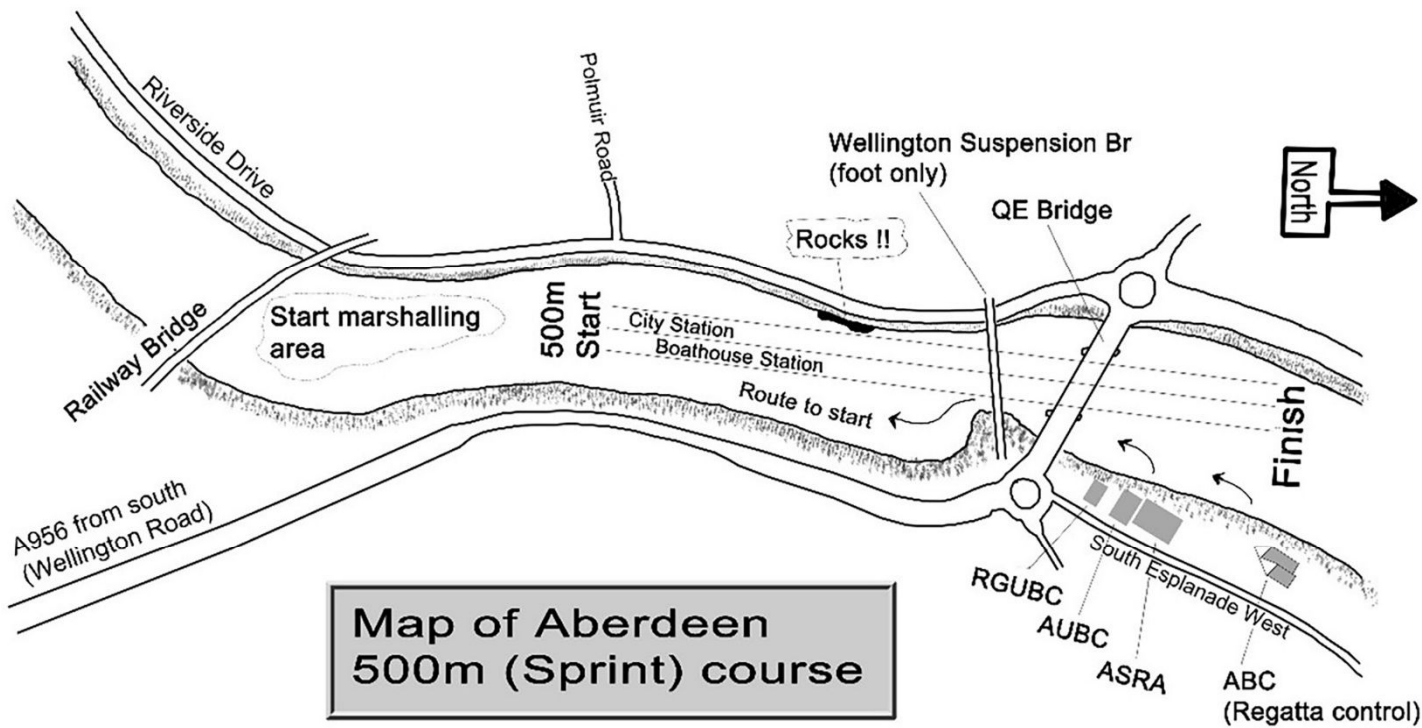

1 - 2	numbers issued	£10 deposit required
3 – 10	" "	£20 " "
11 or more	" "	£40 " "

Competitors must report to the start marshal **at least five minutes before their published race times. Crews must then stay in touch with the start marshal until they are called to the start line**. Due to a lot of doubling-up, the timing of the regatta is critical and late crews will be disqualified (Aberdeen crews take note !)
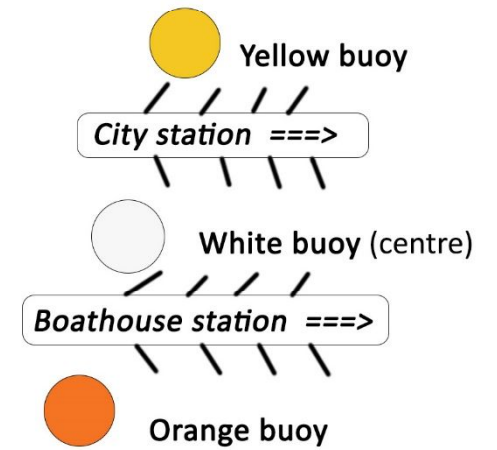

The first named crew will take the City Station (opposite the Boathouse), the second named crew will take the Boathouse Station.

The 500m course will be used in all events. The course is in two lanes and runs downstream from a free start at the "top of the wall". It runs in a straight line through the two bridges before the finish at the upstream end of the Aberdeen Boat Club Boathouse.   Guidance buoys will hang from the bridges; city-bank crews should pass between the Yellow and white markers; boathouse-side crews should pass between the white and orange markers. There are three similar buoys near the finish and **boats and blades must pass between the appropriate buoys, or risk disqualification**. See map for details.

The buoys near the finish do not represent the exact finish line and crews should not stop racing until instructed by the umpire.

Course Details for Aberdeen Sprint Regatta

Crews must boat facing upstream and proceed to the bridge marshalling area. Please be careful going under the Suspension Bridge as the river is narrow here and you must watch out for crews racing downstream and give way to them if necessary.

Crews must keep to the Boathouse side of the river on the way up to the start.

WARNING: At low tide it may not be safe to pass through the Railway Bridge - seek local knowledge if in any doubt and obey safety instructions from the marshals.

Crews must report to the start marshal below the railway bridge and keep in touch with the marshal until called down for their race.

The start is free and, in view of the downstream current, manoeuvring at the start should normally be done by backing down.

Crews should ensure that their boat and blades pass on the appropriate side of any buoys or course markers. Failure to comply with this rule could result in disqualification if the umpire considers that unfair advantage was gained or the other crew was obstructed.

There will be guidance markers hanging from the upstream side of the Suspension Bridge and the downstream side of the QE Bridge. These are colour-coded as noted above.

There is a line of buoys near the finish but these do not represent the exact finish line and crews should not stop racing until instructed by the finisher.

After finishing, all crews should turn and approach a jetty as soon as possible especially if their boat or members are required for other events.

We do not have permission to row below the Victoria Bridge (downstream of the Boathouse). Any crew violating this rule is likely to be sunk and/or disqualified.

Please also see the **Local Regatta Rules** (below)

Results will be posted on our website   https://cofd.co.uk

Handicapping for Veteran Events

(February 2017 version)

A handicap system will operate in all veteran events. Veteran crews must declare their status **in writing** to the secretary at least 30 minutes before their first race., otherwise they will be assumed to be Veteran A (no advantage).

The following table gives an **indication** of advantages for our 500m course. They are based on the standard time for an open crew in each category. The base times are as recommended by Scottish Rowing. Handicapping may be modified depending on wind/water conditions on the day.

CATEGORY	(base time)	A	B	C	D	E	F	G	H	I
Mens Fours	1:40	0	1	2	4	6	9	12	15	20
Mens Pairs	1:45	0	1	2	4	6	9	12	16	21
Mens Double Sc	1:40	0	1	2	4	6	9	12	15	20
Mens Sculls	1:50	0	1	2	4	7	10	13	17	22
Womens Fours	1:55	0	1	2	4	7	11	13	17	23
Womens Dbl Sc	1:50	0	1	2	4	7	10	13	17	22
Womens Sculls	2:00	0	1	2	4	7	11	14	18	24
Average age of crew		*27*	*36*	*43*	*50*	*55*	*60*	*65*	*70*	*75*

HANDICAPPING WILL TAKE PLACE AT THE *FINISH*

Crews will start level, as usual, and the time differential between the first and second crews will be measured as they cross the finish line. If this time is less than the previously intimated handicap, then the crew which was second over the line will be deemed to have won the race. We will try to group similar ages of competitors together but, where this is not possible, we will apply the full handicap applicable, even if this exceeds the previous recommendation of three categories.

The **ABC New-Rowers Restricted 4+** event will also be handicapped.
As for masters races, the crews will start level and the winning margin will be timed at the finish. The net handicap/advantage time will be applied to the first crew over the line to determine if it has actually won.

The time differences have been calculated using a formula which takes into account the sex mix and experience of each crew .
