North East Regatta - Notes

- Races will be rowed in accordance with the rules of Scottish Rowing (SR).
- All events will be rowed over an 700m almost-straight, two-lane course from the Railway Bridge to the Aberdeen Boat Club Boathouse.
- A victor ludorum competition will be run over the regatta weekend for the Championship of the Dee trophy.
- Entry fee, which includes the Scottish Rowing levy, is £5 per competitor for all events (coxes do not need to pay). We reckon this is the cheapest in UK for an Open event.

Entries must be made online using Excel spreadsheets which can be downloaded from the Committee of the Dee website <https://cofd.co.uk>

Payment should be made by BACS using the details below (please confirm with an email when you do this);

Entries close at 11pm on Thursday 1st May

- The draw will take place at 10am on Sunday 4th May at Aberdeen Boat Club. Please provide a mobile phone number for someone who will be available during the draw to answer any questions.
- Please ensure that any boat sharing or equipment restrictions are clearly marked in the Notes section on the entry spreadsheet.
- If only one entry is received for an event, the crew will automatically be placed in the next higher status event unless otherwise stated at the time of entry.
- Doubling-up is encouraged and trebling-up is permitted but no guarantees can be given regarding race or rest times with multiple entries. Please mark all doubling-up including sharing of boats, coxes and oars. Competitors entering more than three events do so at their own risk and the committee cannot guarantee to accept these entries nor to avoid clashes of race times. Entry fees will not be refunded if competitors have to withdraw from such clashing events.
- Refreshments, snacks and bar facilities will be available each day.
- Masters events may be entered by crews of any class. If crews of different classes are drawn together then handicapping will be employed using standard tables. Confirmation of the veteran status of a crew (or sculler) must be given in writing to the secretary before the start of racing otherwise no advantage will be given.
- **Mixed** events must have at least 50% of the rowers/scullers female (can be more)
- Maps and course rules are on our website <https://cofd.co.uk>
