Local Regatta Rules for the North East Regatta

(Please also study the **course map** and its Notes)

The rules of *Scottish Rowing* apply at this regatta.

Packs of bow-slot numbers will be issued to clubs on arrival. A deposit will be charged which will be refunded upon safe return of all numbers. Any missing numbers will be charged at £5 each with a corresponding reduction in the refund. Deposits will depend on the number of numbers issued as noted below;

1 - 2	numbers issued	£10	deposit required		
3 - 10	" "	£20	" "		
11 or more	" "	£40	" "		

Competitors must report to the start marshal **at least five minutes before their published race times. Crews must then stay in touch with the start marshal until they are called to the start line.** Due to a lot of doubling-up, the timing of the regatta is critical and late crews will be disqualified (Aberdeen crews take note !)

The first named crew will take the City Station (opposite the Boathouse), the second named crew will take the Boathouse Station.

The 700m course will be used in all events. The course is in two lanes and runs downstream from a free start downstream of the Railway Bridge. It runs in a straight line through the two bridges before the finish at the upstream end of the Aberdeen Boat Club Boathouse. Crews should finish near the City Bank and not cut the corner downstream of the QE Bridge. Guidance buoys will hang from the bridges; city-bank crews should pass between the Yellow and white markers; boathouse-side crews should pass between the white and orange markers. There are three similar buoys near the finish and **boats and blades must pass between the appropriate buoys, or risk disqualification.** See map for details.

Competitors competing in the competing event of Beach Sprints in St Andrews may wish to continue through the harbour after their race, turn right, and then paddle SSW for 96km before reporting to the marshal there.

The buoys near the finish do not represent the exact finish line and crews should not stop racing until instructed by the umpire.

Course Details for North East Regatta

Crews must boat facing upstream and proceed to the bridge marshalling area. Please be careful going under the Suspension Bridge as the river is narrow here and you must watch out for crews racing downstream and give way to them if necessary.

Crews must keep to the Boathouse side of the river on the way up to the start.

WARNING: At low tide it may not be safe to pass through the Railway Bridge - seek local knowledge if in any doubt.

Crews may be asked to turn downstream of the Railway Bridge if the tide is low but normally they should report to the start marshal above this bridge. Proceed upstream through arches 4-6 of the Railway Bridge and downstream through arches 2 or 3.

The start is free and, in view of the downstream current, manoeuvring at the start should normally be done by backing down.

Crews should ensure that their boat and blades pass on the appropriate side of any buoys or course markers. Failure to comply with this rule could result in disqualification.

There will be guidance markers hanging from the upstream side of the Suspension Bridge and the downstream side of the QE Bridge. These are colour-coded as noted above.

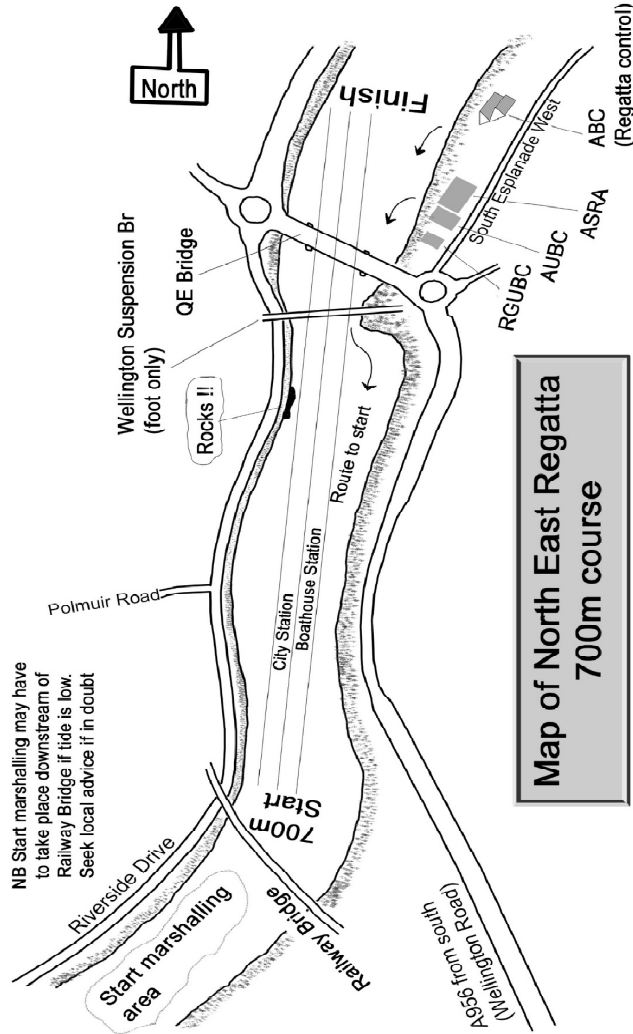

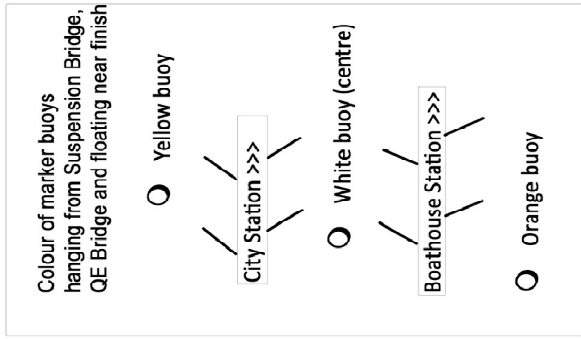

There is a line of buoys near the finish but these do not represent the exact finish line and crews should not stop racing until instructed by the finisher.

After finishing, all crews should turn and approach a jetty as soon as possible especially if their boat or members are required for other events.

We do not have permission to row below the Victoria Bridge (downstream of the Boathouse). Any crew violating this rule risks being disqualified and/or sunk.

Results will be posted on our website <https://cofd.co.uk>

Handicapping for Veteran Events

A handicap system will operate in all veteran events. Veteran crews must declare their status **in writing** to the secretary at least 30 minutes before their first race, otherwise they will be assumed to be Veteran A (no advantage).

The following table gives an **indication** of advantages for our 700m course. These may vary depending on conditions on the day (they are based on the standard time for a Vet A FISA World Masters crew in each category). It is based on the tables produced by Dan Davidson in May 2016.

CATEGORY	(base time)	A	B	C	D	E	F	G	H	I
Mens Eights	2.10	0	1	2	5	8	12	16	20	26
Mens Fours	2.24	0	1	3	5	8	13	17	22	29
Mens Pairs	2.36	0	1	3	6	9	14	18	23	31
Mens Double Sc	2.24	0	1	3	5	8	13	17	22	29
Mens Sculls	2.38	0	1	3	6	10	14	19	24	32
Womens Fours	2.38	0	1	3	6	10	14	19	24	32
Womens DbI Sc	2.38	0	1	3	6	10	14	19	24	32
Womens Sculls	2.53	0	1	3	6	10	15	21	26	35
Mixed Fours	2.31	0	1	3	5	9	14	18	23	30
Mixed Double Sc	2.31	0	1	3	5	9	14	18	23	30
Average age of crew		27	36	43	50	55	60	65	70	75

HANDICAPPING WILL TAKE PLACE AT THE *FINISH*

Crews will start level, as usual, and the time differential between the first and second crews will be measured as they cross the finish line. If this time is less than the previously intimated handicap, then the crew which was second over the line will be deemed to have won the race. We will try to group similar ages of competitors together but, where this is not possible, we will apply the full handicap applicable, even if this exceeds the previous recommendation of three categories.

Notes from our last NER on 4th May 2019

Another Stirling effort on the Dee

Stirling Rowing Club again attended the NE Regatta with a large squad spread across the age range from Juniors, through Seniors to Masters. After a close battle between themselves and ABC at the end of the first session of racing, Stirling had multiple wins in the afternoon session leaving them with a commanding total of 107 points in the Championship of the Dee table (*two points per crew member in winning finalists and one point per losing finalist member*). ABC came second with 64 points and ASRA had 44. After a 38-year period when the Champ of Dee had been won only by Aberdeen clubs, this is the second year in a row (*ho ho*) that Stirling have taken this prize.

The only other club who had entered was Albyn but, reluctantly, they had withdrawn all their crews due to the weather. Many of the Albyn rowers were young and inexperienced and the gusting upstream wind produced challenging racing conditions at times.

With predicted winds gusting over 40mph from due north, we had assessed the viability of the entire event in the days leading up to it. In the end, the Scottish weather did what it does best, alternating hailstorms and large standing waves with periods of sunshine and almost flat water.

A few other novice or less-experienced rowers decided not to race so the resultant scratchings enforced some rearranging of races to avoid row-overs in straight finals. Thanks to Stirling RC and our Senior Umpire, Andrew McConnell, for agreeing to these changes.

One such change resulted from the J-14 4x+ event being reduced to just one original competitor - this was reborn as a compound J-15 4x+ from Stirling against a J-13 4x+ from ASRA. An arbitrary lead to the younger crew was given off the start and this had been chosen well as the resultant battle to the line, with the Stirling crew desperate to catch ASRA, was great to see and well supported by spectators. Amazingly, this resulted in a dead-heat, the only such result on the day. In view of the effort and the rather lumpy water conditions at the time, we decided not to ask them to re-row but declared both winners and awarded much-deserved medals to both crews.

Thanks, again, to Stirling RC for attending in large numbers and exhibiting flexibility and discipline in getting to the start (mostly!) on time. Thanks, also, to other competitors, SR umpires, volunteers, sponsors and others who I have forgotten to mention.
